CARE FOR CHILDREN IN CRECHES IN RIO DE JANEIRO

Work with little ones who come from poor backgrounds and who could really use your time, energy and affection. We work with different crèches and here you’ll care for children ranging from as little as 1 to the age of 5. You’ll mainly be playing with the children, feeding them, bathing them, reading to them and finding ways to interact and help them learn. There is limited staff at our creches, so any help you can provide is of huge assistance to them!

Thank you for your interest in volunteering on this Project. Below is a description of what you can do and expect. You can volunteer whether you’re taking a gap year, on a career break, retired, or on a holiday with a purpose. No matter what your age or experience, we look forward to welcoming you to the team!

SELF-DEVELOPMENT:

- New skills, more confidence, a greater understanding of a different culture, invaluable personal and professional development.
- The enormous satisfaction of helping disadvantaged children and knowing that you made a difference to them.
- An entry on your CV or résumé that will put you head and shoulders above most others in the job market.

SAFETY AND SECURITY

- Your safety is our top priority. We risk-assess all destination countries, projects, accommodation and more to ensure that they are stable and safe.
- We have experienced local staff with 24/7 back-up and support who are there to assist you and look after you, starting with an in-depth induction on your arrival.

The Crèches provide the children with an opportunity to learn by playing. Their main objective is to look after children from the local area whose parents need to work but don’t have anywhere or anyone else to look after the children.

This is a great opportunity to give your assistance to hard-pressed staff, to children who deserve all the help and attention they can get, as well as to mothers who need to be able to leave their children somewhere safe while they go out to work.

The children love having extra people to play with and their smiles really make it worthwhile! Just a small amount of your time can really make a big difference.

As the children range from 1 to 5 years, the activities are based on helping the teachers to take care of the children, as well as developing educational games, and recreational activities. You will mainly be playing with the children, feeding them, bathing them, reading to them and finding ways to interact and help them learn.

If you have any special skills, such as playing a musical instrument, sports, arts, etc., please let us know as the Crèche would love you to teach the children these wonderful skills.

The older children are also at the stage of learning speech, so any help improving these skills is very much appreciated.

Our crèches have a maximum of 60 children divided into classes depending on their ages. They open early in the morning and provide breakfast for the children but your working hours are likely to be 9.30am - 3pm. The staff are extremely friendly and really appreciate your help looking after the children. It should be a hugely rewarding and satisfying placement, with lots of beaming smiles and happy children.

HOLIDAYS AND CARNAVAL!

Summer Holidays: 10th December 2016 – 11th February 2017
CARNAVAL!

Carnaval is celebrated all over Brazil. The most famous is, of course, held in Rio, but the authentic versions can also be found outside that city. Carnaval begins at midnight on the Friday before Ash Wednesday and lasts for five days, but the whole country stops for about two weeks.

Carnaval begins at midnight on the Friday before Ash Wednesday (usually around the second week of February) and last for five days, but the whole country stops for about two weeks. Carnaval is celebrated all over Brazil. The most famous is, of course, held in Rio, but the authentic versions of Carnaval are found outside that city.

CAN'T SPEAK THE LANGUAGE?

If you speak some Portuguese (or even Spanish), you will find it very beneficial on this project. But don't be put off if languages aren't your thing! You're sure to pick up some of the basic words whilst you are there, and will find other ways to converse without language becoming a barrier.

Don't forget that we can also arrange some Portuguese Lessons for you. Please ask for more details.

“I really couldn't have asked for a better bunch of kids! The children are so much fun and very talented, I became very close to them all and I miss them very much!”

Stephanie White

“The placement has incredible job satisfaction, unrivalled by that of teaching teenagers or older students, as a bond develops between us and the children. As many come from broken homes and/or are stricken by poverty, they look to us like father figures.”

Christopher Bodych

ACCOMMODATION

You'll stay at a welcoming modern hostel in leafy Laranjeiras, a wonderful area of Rio, just a 15 minute walk away from where you can take the train to Cristo Redentor – one of Brazil's biggest attractions!

With friendly staff and a relaxed atmosphere, you are sure to feel at home as soon as you step inside. The hostel comprises facilities including TV's, computers and free Wi-Fi.

You will stay in a dorm room (female dorms for woman and mixed sex dorms for men) but an upgrade to a private room is available at a supplement. You will have access to a well equipped kitchen where you can prepare lunch and dinner and the hostel also offers a tasty Brazilian lunch for a good price.

Laranjeiras is one of the most traditional parts of Rio and is close to the Guanabara Palace and the Fluminense Football Club's training ground. You can reach the world renowned Copacabana beach and chic Ipanema and Leblon beaches in under 30 minutes by metro, and Pão de Açúcar (sugar loaf mountain) is the same distance away by bus. With restaurants, bars, supermarkets, banks, post office and chemists right on your doorstep, this really is an ideal location from which to explore this breath taking city.

FOOD:

Breakfast is included in this project and is a fabulous spread of coffee, milk, fruit juice, bread, butter, jams, yogurts, cereal, fruit and cakes which should set you up for the day.
You're located in the heart of Rio so there is an almost endless variety of dishes and restaurants, which is why we've provided the accommodation as breakfast only. Most of our volunteers regard eating out as one of the highlights of living in South America.

Nearby are numerous restaurants including local Brazilian fare, ‘Por Kilo’ restaurants (which charge based upon the weight of your food), Chinese, Japanese, Subway and snack shops galore! The snack shops, (Boteco’s) are a good option where ‘salgado’s are served (a type of savoury pastry filled with meat, cheese or chicken) and ‘pao de queijo’ (literally ‘cheese balls’ – delicious little cheese and bread balls) that all cost around Rs 4.

One thing is for sure, you will not go hungry in Rio!

**THINGS TO DO IN RIO:**

Visit the beach!
Choose from **Copacabana, Ipanema** and **Leblon**, to name but a few! Copacabana is probably the world's most famous beach, with 3 miles of sunbathers and beach parties in front of one of the most densely populated cities on the planet. **Ipanema** is Rio’s most chic beach for the rich and the beautiful.

**Futebol (soccer)** is the national obsession, and Rio is the location of **Maracana Football stadium**, the largest stadium in the world. Many football legends have played in this ground. Vasco da Gama also have their own ground, São Januário and is worth a visit!

**Surfing, rock climbing or hiking.** Rio has perfect rolling waves is ideal for beginners or more advanced surfers. For rock climbers, you can climb up Pão de Açúcar and there is great hiking in the Tijuca Forest (the world’s largest urban forest).

Discover **Ilha da Pacquetá** – just a 90 minute ferry ride from Rio – a car free zone, for peace, relaxation and great views.

For some adrenaline packed fun, try **hang-gliding**, especially around Pedra Bonita, near Pepino beach.

**CARNAVAL!**
Like Mardi Gras, Carnaval has its roots in ancient pagan ritual. The wild parties began in the Middle Ages. Over time it flourished and incorporated extravagant costumes from India and primitive carnal beats from African rhythm. Carnaval takes place before Lent where Catholic Brazilians officially gave up luxuries such as meat, alcohol and pastries.

The excitement of Carnaval builds practically all year round. Rehearsals at samba schools begin in August and marching percussion bands practise for their performances of music throughout the year.

**Carnaval Balls are extreme**, surreal and erotic events. There is various stages of undress, extravagant body painting, stickered tattoos, fishnets and spandex involved! Hypnotic music, grinding movements and beautiful ladies of the night vying for the camera’s attention are included in the price of the ticket. Some of these beautiful ladies are less ‘lady’ than they may appear…Street Carnaval is all about the **dancing in the streets**, marching bands pump out their theme tune and other rhythms as the drag queens and party crazed people bop along behind.

The **samba parades** are perhaps a highlight of carnaval. As the Lonely Planet so nicely puts it, the Brazilians harness sweat, noise and confusion and turn it into art. The best Samba schools in the country prepare all year for their moment of glory. This procession is a competition of the art. There are many aspects to samba including percussion, song, dance, choreography, costumes, story line, floats and decorations.
