WORK CONTENT

The centre we work with was established in 1970 by Dr and Mrs Mary Thangaraj who believed that every child born into this world, irrespective of the conditions of their birth, have the right to live with self and human dignity. A lot of the children come from very underprivileged families, and so the love and care you can give them is even more important.

The school has recently constructed a large physiotherapy unit with modern equipment. Approximately 180 children attend the school and they also have an early intervention centre for children less than 6 years of age.

Physiotherapy is given to children with cerebral palsy and physical disabilities; intended to strengthen muscle power, improve mobility in the joints and to help reduce pain. The children who attend the physiotherapy unit have a tailor made programme to suit their individual needs. For the younger children, the mother or grandmother will also attend to understand the needs of their child and help them practice these exercises when they are at home.

The physiotherapy lab has some great facilities including balancing bars, treadmills, weights, rowing machine, cycles, parallel bars and Swiss balls. The children also undergo electrotherapy.

You’ll work as an assistant to the existing physiotherapist helping her treat the children. The centre is dedicated to helping the children obtain the best quality of life possible. They are passionate and enthusiastic and are very eager to share their knowledge and time with you.

Your supervisor is a qualified physiotherapist and speaks excellent English. The school is looking for people with a background or interest in physiotherapy to assist them with their daily work. You will most likely be asked to assist and shadow the physiotherapist while they work with the children. If you have experience in physiotherapy or are qualified, you will be given a greater degree of hands-on work.

“Well, I’ve had such a brilliant time over the last few months I don’t know where to start! My project has been great - I have learnt so much and made lots of friends. I am really enjoying learning about the culture here.”

**ACCOMMODATION**

**Host Family**
For a complete Indian experience we can arrange for you to stay with one of wonderful host families. All of our hosts are very welcoming and not only will be made to feel part of the family, you’ll also gain a great insight into Indian culture and customs. Many of our volunteers remain friends with their host families long after they leave India and in some cases they return to the country later especially to visit their family.

You may share a room with up to 2 other volunteers and in most of the houses you’ll have an en-suite, Western-style bathroom. Most of the showers in our host accommodation are cold water only – however your hosts will boil water for you on request.

All of our host family houses are close together and just a few minutes’ walk away from internet cafes, banks and snack shops and just a short auto ride into the centre of town.

**Food:**
Breakfast and dinner will be provided and prepared for you by the family and is mainly local fare allowing you to taste a varied selection of delicious south Indian dishes and exotic fruits. You will need to make provision for your own lunch.

LOCATION, EXPLORING AND SIGHTSEEING:

INDIA REALLY HAS IT ALL, from the hot sultry deserts of Rajasthan, the Taj Mahal and the majestic Himalayas in the north, to the idyllic palm fringed beaches and ancient temples of the south, plus a multitude of wildlife parks!

The way to best enjoy India is to absorb it - the warmth of the people, the beauty, the smells, the food, and the wonderful hospitality!

MADURAI

Many of our projects are based in the bustling city of Madurai in the southern state of Tamil Nadu. Madurai is known by many names; ‘Jasmine city’ for the famous jasmine flowers that are cultivated here, ‘the city of Nectar’, Legend tells of a river of nectar that flowed after blessing from Lord Shiva, and the ‘Temple City’,
Madurai really does have a temple or shrine on practically every street but it is most famed for the Sri Meenakshi Sundeswarar Temple. Pilgrims and tourists alike flock to visit the temple and approximately 10,000 visit every day! The temple is named after goddess Meenakshi. It was built in the 17th century and is an enormous structure with 5 outer towers crammed full of idols and animals. The inner courtyard contains another 7 towers, again all highly adorned. It will take your breath away.

Madurai is located on Vaigai River and was the capital of Pandyan rulers till the 14th century. It is full of cultural diversity and life revolves around the awe inspiring Sri Meenakshi Sundareswarar temple, awash with pilgrims, market stalls and tourist shops. Children will stop you on the streets to chat to you and shake your hand and even ask for your autograph! You will be in demand everywhere you go and you'll feel like a celebrity, such is the warmth of the Indian people. If you’re after an overwhelming experience, then Madurai is a certainty for this!

KERALA has been named “Gods own Country” by the locals for its stunning scenery, wildlife, beautiful beaches, picture postcard towns and the breathtaking backwaters. It is also the home of Ayurveda medicine, an ancient system using essential oils and vigorous massage to aid medical complaints or just for pampering - a one hour massage is an unforgettable relaxing experience.

Kerala also has one of the best wildlife parks in the country; Periyar. A huge array of activities are on offer, jungle trekking and jeep safari's which take you off the beaten track in the hope of spotting an elusive tiger although you are more likely to see elephants, boar, monkeys and many species of birds. You can also take an elephant ride, boat ride, visit spice and tea plantations, watch martial arts – it’s an action packed weekend and only 4 hours from Madurai!
